Sacred Journeys Newsletter

AUGUST 2020!

Our intention is to share with you each month upcoming community events, resources and inspirations, to lift your Spirit and feed your Soul! We believe that Love is the fabric of reality.

We share this to awaken, expand, and strengthen this Divine Consciousness in you, in all of humanity, and our planet.

Love- Jonathan & Shari

Greetings From Shari-

We are in the midst of the 2020 Lionsgate Portal of Light, a period of intense energetic downloads that runs from July 26- August 16th, peaking on 8:8. I AM sharing an excerpt about the Lionsgate from fellow LightWorker DeAnne (her full communication and info on her Lionsgate Transmission can be found in Resource section of this newsletter).

"The 2020 Lions Gate promises increased waves of ascension light and codes of awakened consciousness streaming onto the planet through an exceptional alignment of the Great Central Sun, the star Sirius and directly from Spirit.

The 2020 Lions Gate is the birth of a new and undeniably heightened level of dedication to our ascension process as individual human beings and also as a global entity. This increased light and accelerated ascension energy is causing huge life-altering changes to unfold in one way or another for just about everyone now.

You are able to submit prayers to our prayer circle of 100+ people, as well as have the opportunity to pray for others. To join, simply email: drjonathancohen@gmail.com.

INSPIRATIONS

Preparation

by Gail Nyoka

We can act as if the world of banks, chemical companies and multinationals has already fallen; As if the tide of rising waters has already washed out the ports; the roads already reclaiming-- green grass rising through the cracks, the paths we make, our own.

We can learn to harrow and hallow, to barter, and join together for our survival-- Skills known to Isis singing songs of grief and awakening over the decaying body of Osiris Making it fit for rebirth.

RESOURCES:

When you consciously claim it, you can use this time period to take a profound leap into deeper alignment and harmony with the Divine Blueprint for your soul embodiment. You may direct the energy to support Divine manifestations of love, abundance and spiritual growth in your life: to clear distortion from your field and to profoundly realign with your Core Divine Light and Truth."

Right now is an auspicious time as the Sirian High Council of Light and Others are greatly assisting humanity and all life on this planet. In addition to connecting with Them I have been working with other extraordinary energies that are dedicated to our evolution in the Light. Most recently, I have been graced by Triple Goddess Hecate, Joan of Arc, Archangel Zadkiel, Ascended Master Afra, Our Lady of Guadalupe, and so many more. Their Presence and generosity of Spirit daily reminds me

I AM NOT ALONE, YOU ARE NOT ALONE

WE ARE NOT ALONE!!!

You too can enjoy Their Presence, feel their support energetically, and allow Their Grace into your heart by going to my Etsy store to feel them for yourself!

Lastly, please remember as Divine Beings we all have access to GREAT ASSISTANCE. Call upon your own Guides, Angels, Archangels and Councils of Light. They are here for you, They want to help,

Reflections from Jonathan-

One of my White Privilege workshop co-leaders Craig Herink, a phenomenal being and leader, has talked about the healing of racism in our country as a marathon and not a sprint. My newsletter entry is an urging to you (if you are white) to continue to do your work at looking at your unearned privilege, as well how you can use that privilege to heal the painful rifts that we experience in this culture.

For a very long time I did not look at this arena that needed healing. It was too painful and I was in denial. You (if you are white) may want to close this article down now and stop reading. That would make sense, as your unearned privilege (much of it which has been downloaded culturally and through our DNA) conflicts with your self-image and professed beliefs. I encourage you to keep an open mind and heart, to take this as an

*invitation to learn and grow, to expand
your own awareness for your own
healing, and that of our country and
world.*

*I have been educating myself by
reading White Fragility by Robin
DiAngelo. I invite you to read this book
as well and then write to me, tell me
what you are thinking and feeling, and I
will supply you with another resource
with which to grow.*

Jonathan
