Quoting Isabel Wilkerson from her extraordinary book called *Caste, The Origins of Our Discontents*:
" We are responsible for our own ignorance or, with time and openhearted enlightenment, our own wisdom. We are responsible for ourselves and our own deeds or misdeeds in our time and in our own space and will be judged accordingly by succeeding generations. "

INSPIRATIONS

We Have Not Come Here To Take Prisoners
by Hafiz

We have not come here to take prisoners
But to surrender ever more deeply
To freedom and joy.

We have not come into this exquisite world
to hold ourselves hostage from love.

Run my dear, From anything
That may not strengthen
Your precious budding wings,

There are many ways to raise consciousness and bring Light and Love onto the planet at this crucial time. If you have the heart call to work at the energetic level please do these Invocations for the manifestation of Divine Government.

I recommend you do it daily (or more often).
As Co-Creator and with great focus, utilize your Divine Intention and Divine Will to manifest Freedom Liberty and Justice for ALL Life.

Love-
Shari

INVOCATION FOR DIVINE GOVERNMENT

by Patricia Cota-Robles

In the Name, Love, Wisdom, Power and Authority of the Beloved Presence of God, I AM, blazing in my heart and the hearts of all humanity, and by the power of Light's victory, now made manifest on Earth, we invoke Archangel Michael and the Legions of Power and Protection, to come forth now.

Beloved Ones, descend into Washington D.C. and the surrounding areas. With your swords of blue flame, cut free, cut free, cut free every force that is not of the Light. Encapsulate these energies in your cosmic circle of white lightning and lift every electron of this negativity into the arms of Divine Grace, instantly transmuted — cause, core, effect, record and memory — with the full power and might of the Violet Flame, back into its original perfection.

Now Beloved Archangel Michael, we ask that you direct your legions of Power and Protection to expand this Divine service into every city, state,

Run like hell, my dear,
From anyone likely to put
a sharp knife
Into the sacred, tender
vision
Of your beautiful heart.

We have a duty to
befriend
Those aspects of
obedience of our house
And shout to our reason
"Oh please, oh please
come out and play."

For we have not come
here to take prisoners,
Or to confine our
wondrous spirits
But to experience ever
and ever more deeply
our divine courage,
freedom, and Light!

town, and homestead in the United States of
America. With your swords of blue flame, cut free,
cut free, cut free every force that is not of the Light.
Encapsulate these energies in your cosmic circle of
white lightening and lift every electron of this
negativity into the arms of Divine Grace, instantly
transmuted — cause, core, effect, record and
memory — with the full power and might of the
Violet Flame, back into its original perfection.
Beloved Ones, now expand the Divine Service into
every country, nation, city, province, town and
hamlet on Earth. With your swords of blue flame,
cut free, cut free, cut free every force that is not of
the Light. Encapsulate these energies in your
cosmic circle of white lightening and lift every

Now Beloved Legions of Light, with the full
authority of God's Will on Earth, we command that
in every location where negativity was removed,
the immaculate concept of the patterns of
perfection for Divine government be permanently
established and self-sustained. And so it is.

Now, in the name of the Almighty Presence of God
— I AM, and through the creative fire pulsating in
every heart, we invoke the Goddess of Liberty, the
Goddess of Justice, the Goddess of Freedom, the
Goddess of Victory, and the Goddess of Glory to
take their strategic positions around the

Washington D.C. area. We also invoke the Silent Watcher for Washington D.C., and all of the mighty guardians and cosmic beings who dwell in the etheric complex over Washington D.C. and the surrounding areas.

Blessed ones, come forth now and assist us with the most powerful cleansing activity humanity and the Earth are capable of receiving during this cosmic moment. As ONE unified heart, we now invoke the Fifth Dimensional frequencies of the Violet Flame of God's infinite forgiveness.

Blaze, blaze, blaze this sacred Violet Fire, in, through and around all inharmonious actions, all lower human consciousness and all obstructions of the light, that we or any part of life have ever placed on the pathway of Life's perfection. Through the Divine power of infinite forgiveness, transmute this discordant energy—cause, core, effect, record and memory —now and forever.

Now Beloved Ones, blaze and sustain the Violet Flame of God's infinite perfection, with the power and might of a thousand suns, in, through and around the President of the United States of America and his cabinet, now and forever. Blaze this Violet Flame in, through and around the Senate and the House of Representatives for the United States of America, now and forever.

Expand this Sacred Fire now to the Supreme Court, all courts of law, and all legal procedures, now and forever. And blaze the Violet Flame in, through and around the United Nations and all of its members, now and forever.

Beloved Ones, now expand the Violet Flame with the power and might of a thousand suns, through

all world leaders and those associated with the governments of Earth, at national, state and local levels, now and forever.

We accept this victoriously accomplished through the power of God- I AM- and so it is.

Now, through the supreme, eternal mercy and compassion of our Father-Mother God—the Cosmic I AM, All That Is—we accept the Divine fiat that the new frequencies of the yellow gold flame of Enlightenment and Christ Consciousness from the very heart of God, shall now enlighten, empower, guide and protect all of humanity as Divine Government is co-created in every country of the world.

Through this Divine Enlightenment, God’s Will for the United States of America and for all of the countries of the world shall manifest, and every country’s Divine plan will be fulfilled. Through this Divine Enlightenment, every nation will reflect the Will of God, oneness, and reverence for life.

Through this Divine Enlightenment, Divine Government will become the order of the new day on planet Earth. We consciously decree this and accept it, all powerfully active, ever expanding, world encompassing and eternally sustained, until Divine Government is tangibly manifest in every country of the world.

And so it is — Beloved I AM.

Reflections from Jonathan-

There has been so many words spoken during COVID, anti-racism and the elections. They have all been important AND I wish to remember always and remind you that LOVE is everything.

When I go to vote on Tuesday my intention is to hold all with love no matter what placard or view is held. Martin Luther King said HATE does not heal HATE. I am choosing LOVE. Will you?
